GAPPA 2023 Annual Meeting and Trade Show
Registration Deadline is May 15, 2023

Letter from the President

We are excited to invite you to attend our 39th Annual Meeting and Tradeshow for the Georgia Chapter of APPA (GAPPA). Our theme for this year is “Creating Strategic Alliances in Facility Management.” Be sure to spread the word to your coworkers and counterparts at other institutions.

Our campuses currently face a number of significant challenges including ongoing budget shortfalls, materials and equipment delays, and labor shortages – just to name a few. Yet, while facilities goods and services are diminishing, student expectations are higher. And facility managers are having to overcome all of these daily challenges by doing more with less. As our theme suggests, this is why creating strategic alliances will help university facilities leadership reexamine and adjust to today’s ever-changing conditions and yet still improve their processes.

Our 2023 Conference focuses on these current trends in facility management and how important it is to create these strategic alliances with your peers at other educational institutions and our business partners at the Tradeshow. Networking with our business partners at the Tradeshow and other events is the best way to explore new options and effective solutions for your university facility’s needs. Over 120 vendors are already registered to bring you more innovative ideas, solutions, and the latest equipment and technology available to our facilities community. GAPPA is the perfect place to reach out to your peers, make a new connection, discuss mutual challenges, and find innovative solutions together. You might be surprised how much you will learn to take back to your campuses! Remember, the future belongs to those who prepare for it today.

Check out our educational sessions. These presentations were selected to provide training opportunities on critical, informative topics that are invaluable to you and your team back on campus. Based on your feedback, we’ve modified the conference schedule a little bit. The new streamlined sessions schedule will give you a little more time to network, catch up on your emails and/or spend a little more time enjoying some of the activities that Jekyll Island has to offer!

As always, the GAPPA conference is a family friendly event. We encourage you to bring them with you to kick off the summer and enjoy Jekyll Island, while you work on your professional development (at the beach)! Sounds like a win win to me.

Sincerely,

Kelly A. Wilson, President

GAPPA 2023 Annual Meeting and Trade Show

Registration Deadline is May 15, 2023
