Letter from the President

Welcome to the 40th Annual Meeting of the Georgia Chapter of APPA (GAPPA). Our theme for this year is “The Future of Facilities: Adapting to a Changing Environment” and we are very excited about the GAPPA 2024 Annual Meeting and Tradeshow.

Our campuses continue to experience significant challenges as the higher education environment is rapidly changing. The future of facilities will be characterized by sustainability, flexibility, technology integration, and a focus on health and community well-being. Adapting to a changing environment requires foresight, innovation, and a commitment to creating spaces that meet the evolving needs of users and the broader community. Our 2024 Conference focuses on potential trends and strategies for the future including sustainable design and operations, flexible spaces, smart technologies, health and wellness, resilience planning, community engagement, and data-driven decision making – to name a few. Building relationships with your peers from other educational institutions and our business partners at the tradeshow can create a tremendous database of tools in your team’s “toolbelt.” By fostering networking and collaboration, all attendees can gain insights, discover new solutions, and forge valuable connections.

This Conference would not be possible without the support of over 130 exhibitors and promotional sponsors, who bring us innovative ideas, solutions, and the latest equipment and technology available to make our jobs easier. I challenge each of you to engage with exhibitors and sponsors and make a new connection (or ten!), compare efforts, and find valuable solutions together. After all, this a fantastic way to maximize the value of the conference!

And be sure to attend the educational sessions throughout the conference. These presentations are a team effort by your peers to provide each of us beneficial training opportunities on critical, informative topics that are invaluable to you and your team back on campus. We are also excited to add a new session to the 2024 schedule presented by the USG: Updates from the University System Office. This will be an MRR/Operations update for the institutional attendees.

We encourage you, and your team, to join us to network, learn, share and most of all, enjoy the conference! As always, we endeavor to make GAPPA fun for the whole family. We look forward to seeing you on Jekyll Island. The beach is calling.

Sincerely,

Kelly A. Wilson, CEFP
GAPPA President

GAPPA 2024 Annual Meeting and Trade Show

Registration Deadline is May 15, 2024

GAPPA is THE Best Place to Connect with Your Vendors

Our daily schedules are often jam packed, and we don't have time to meet with vendors to discuss best practices, new products, or innovative solutions. Over 130 vendors are exhibiting and sponsoring at GAPPA 2024 and eager to talk with you about your campus needs.

- Enter exhibit hall during scheduled hours only.
 - Sunday 3:00 – 6:00 PM
 - Monday 8:30 AM - 12:00 PM
- The tradeshow is a family friendly event, and lots of fun. Please keep guests and children with you when making the rounds.
- Exhibitors and sponsors make our event possible. We urge you to visit with them and pick up some swag.
- Don't miss the opportunity to enter to win vendor door prizes (Limited to conference attendees; Guests have an opportunity to win door prizes on Wednesday morning).
- Everyone needs a name badge to enter tradeshow. If you have an unregistered guest, stop by registration to pick up a visitor's pass.
