## GAPPA 2025 CALL FOR PROGRAMS

The GAPPA 2025 Annual Meeting and Tradeshow offers an opportunity for you to be part of the outstanding professional development program, to participate in discussions, and share effective strategies to the many challenges facing facilities professionals.

Our goal for programming is to meet the needs and interests of professionals and decision makers representing all aspects of educational facilities operations in public and private institutions throughout our educational community: Universities, colleges, community colleges and K-12. Proposals will provide a program that offers innovative, comprehensive, and diverse treatment of issues facing facilities professionals.

**Submit proposals based on the following criteria** (see attached proposed schedule for dates and times of the educational sessions):

- Submissions from GAPPA educational institute members
- Submissions from GAPPA Business Partners
- Relevant to 2025 theme: ***From Maintenance to Mastery: Elevating Facility Management***
- Length: 45-Minutes to include Q&A
- Title: 3 to 5 words in length
- Abstract: 5 to 7 sentences
- Three learning outcomes which support the conference theme
- Contact information for all proposed presenters (limit 4) to include: full name and title, name of institution/company, phone number, and email
- Short bio for each presenter (for session introductions)

Please be mindful that submissions should be **educational in nature**, not a company specific "sales pitch." Successful proposals are related to a project, program, process, service, method, idea, etc. Please share this "Call for Programs" with others in your organization who are interested in presenting but may not be on the GAPPA contact list.

Email submissions to [david.vanhook@bartow.k12.ga.us](mailto:david.vanhook@bartow.k12.ga.us) no later than **January 31, 2025**.
